

MAMMOTH HIPPODROME SHOW STATE FAIR NIGHT ATTRACTION

Magnificent Horse Show Pavilion Will Be the Scene of Brilliant Spectacles During the Eleventh Annual Kentucky State Fair—Mounted Band and Other Wonders

The magnificent Horse Show Pavilion of the Kentucky State Fair Grounds, which eclipses in size and general modernity the famous Madison Square Garden Circle of New York City, will be the scene of brilliant spectacles during the coming eleventh annual Kentucky State Fair to be held in Louisville, September 15-26 next.

J. L. Dent, Secretary of the State Fair, has arranged for the greatest Hippodrome Show ever gotten together for a celebration of this kind, and not only will out-of-town visitors, but Louisville citizens as well be astonished and delighted at the pretentiousness and excellence of the entertainment provided in the mammoth and brilliantly illuminated arena that affords such excellent back ground for any entertainment offered.

The exhibition, which is in the nature of Hippodrome Vaudeville, will begin each night at 8 o'clock and includes the marvelous Mme. Marantette and her imported Arabian High School Horses, Chief Geronimo and Sunflower, and her unexcelled high-jumping steed, St. Patrick, who holds the world's record of 7 feet 10 1/2 inches, and has posted a challenge of \$1,000 to all comers against this height. Mme. Marantette will also exhibit her wonderful trotting colts, Gascho, who, hitched with a running horse to a road wagon, made and now holds the world's speed record.

Other features of the program include the Six Flying Herbets, contended to be the best aerial act in the country. The sensational mid-air flying and catching of these splendid athletes is a wonderful sight, as well as a picturesque one. Their costumes are changed at every performance and they perform on a rigging thirty-five feet from the ground.

The Albee Family is made up of five male and one female artists. The six are reputed the fastest and most skillful performers in the world and

they hold more medals and trophies than any other six-high acrobatic act in the show world. They do double and triple somersaults, Pyramid building, etc., and work with an ease and grace that is remarkable. They are Cubans and stand unrivalled in their line.

The five Ferris Wheel Girls will offer a real novelty in which the quintette of beauties perform startling and sensational gymnastics on a revolving Ferris Wheel. The girls are pretty as pictures, wear gorgeous clothes and in addition to their nimbleness and skill, they are instrumentalists of marked ability and vary their turn with concerts on brass of a classical as well as popular nature. At night their wheel is gorgeously illuminated with colored incandescents that give a veritable fairyland effect to their turn.

King Edward's Lion Act will offer sensation of the highest order in the performance of a beautiful group of wonderfully trained man-eaters. The lions are an aggregation of monster Nubian animals, who go through the most amazing tricks and evolutions at the instance of their intrepid trainer and the turn as a whole is said to be original and different from the stereotyped animal act as could possibly be. The entire exhibition takes place in a strong steel arena, offering perfect protection to the spectators.

In addition to these high-class acts and the famous Berliner Mounted First Cavalry Band, there will be shown each evening an interesting series of the best saddle horse and harness rings ever exhibited in Kentucky. This will, of course, include the sensational \$2,000 Commission of Agriculture five-gaited saddle horse stake, for which the pick of the saddle horse world is entered.

Owing to the excessive expense and the excellence of the entertainment offered there will be a gate admission of 25 cents charged for the night vaudeville and hippodrome performances.

FIRST CAVALRY MOUNTED BAND

U.S. Bandmaster Berliner and His Crack Musicians Engaged

Band of Thirty-Six Master Musicians in Gorgeous Military Spectacle—Most Surprising Feature Ever Secured for the Kentucky State Fair.

Rudolph Berliner and his mounted First Cavalry Band has been secured by Secretary J. L. Dent as attraction-in-chief of the vaudeville program to be offered nightly in the magnificent five stock pavilion at the Kentucky State Fair, to be held in Louisville next September 15-26.

Although this part of the amusement roster for the eleventh annual Kentucky State Fair will have the cream of hippodrome attractions, it is safe to say that the Berliner band will prove far-and-away the most sensational, surprising and delightful feature ever offered to the public.

This will be the first time in history that a genuine mounted cavalry band has been offered as a professional attraction, and the maintenance of rigid regulation detail preserves an atmosphere of martial picturesqueness and inspiration that establishes a new precedent in the outdoor entertainment world. There are thirty-five men in the organization, appearing in the parades (mounted and dismounted) in concert, military ceremonies and details, battle tableaux and other features of an almost unending variety and of impressive character.

Director Berliner is a famous program arranger, his experience in the service, combined with his splendid opportunities as musical director of orchestras in several leading metropolitan theaters, enabling him to construct offerings that appeal to all tastes in music, and he is constantly evolving new and sensational effects. Some of his mounted concert features come as a complete surprise, and he and his men are constantly engaged in studying out novelties of all kinds.

While the regulation cavalry band is composed of 25 men, the Berliner First Cavalry Band embraces 36 men, all splendidly mounted and trained to the last detail, and all are skilled musicians, belonging to the American Federation of Musicians and boasting soloists and specialty artists who draw salaries that many recognized leaders might well envy.

In addition to handsome and perfectly trained mounts, the band is equipped with striking cavalry service khaki uniforms, horse trappings, gaudies and other military paraphernalia, and with their fine mounts and military bearing they present an inspiring and picturesque appearance.

KENTUCKY NEIGHBORS.

The Democratic nomination for Representative in the Legislature from the Morgan-Wolfe district is in dispute. J. W. Perry having filed a contest against Ed Cecil, who won in the August 2 primary on the face of the returns by 38 votes. He was denied admittance to the Democratic legislative caucus, but this did not deter him voting with the Democrats on all questions. Perry at one time was the Representative from Owen county.

During the rainstorm Tuesday lightning struck a chimney flue on Aunt Jane Kash's residence and scattered brick around like bottles at an Irish wake. Miles Wilson, a guest, and Uncle Dan Hurst were in an adjoining room to the one it entered, and the latter said his left jaw felt as if a hole were bored through it and his left arm was numb. At the thunder clap one of Mr. Wilson's feet flew up as if shot from a catapult and he was limping when he left for home. Aunt Jane Kash escaped any sensation, because she was lying on a bed. —Herald Green Herald.

A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hicks, Ala.—"I must confess," says Mrs. Edna Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight.

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

Write to: Chattanooga Medicine Co., Litchfield, Conn., for Cardui. Enclosed on your card and 64-page book, "The Thousand for Women," sent in plain wrapper, N.C. 10.
